Hello My Fellow Artists –

October has been a busy month. The Harvest Festival went quite well – our raffle was a success (thanks so much to Diane Choquette for donating the beautiful Basket full of Art Supplies). The Free drawing for a One-Year membership also went very well and we now have a list of people who may be interested in joining our group.

Our Fall Show is finishing soon at the Norfolk Library. The Reception went well on Saturday Night. We will announce the “People’s Choice” winner soon.

As we head toward the Holiday season, We still need some people to step up and help run the group. Jo Willoughby is moving away, so we will not have her as our Vice President for much longer. She has done a lot of the work to get our Demonstration artists lined up for the season and has already booked the Holiday Party for December at the Alumni Restaurant. But we still need someone to Step in to her position.

Also, Bob Kalinoski has decided to pursue other interests and will no longer be able to act as recording secretary. This means we need someone who can take the minutes at our meetings and prepare a report of what happened.

Neither of these jobs is a huge time commitment, but both are extremely necessary for the continued existence of our group. If you are interested in either of these positions, contact me or any other board member. We will be happy

to answer any questions and give support along the way.

I hope to see everyone at the Meeting in November and look forward to a great Holiday Season.

Pam Warren

President

FAA Monthly Meeting/Demos

Meetings take place at the Franklin Senior Center, 10 Daniel McCahill St., Franklin, MA across from St. Mary’s church, from 6:30 to ~9pm, the first Wednesday of every month, September through May. Refreshments and socialization are held from 6:30-6:45pm, followed by a short business meeting. A demonstration/lecture or workshop activity follows. Our meetings are open to the public and all are invited to attend.

Calender of Events

Nov. 1st - The FAA welcome's Vincent Crotty for an oil demonstration. Vincent Crotty is an Irish-born artist who has been living in Boston since 1990. Regarded for his original landscapes, interiors, and figurative paintings, Vincent works from inspiration and intuition. His paintings reveal a remarkable understanding of light — transforming everyday subject matter

into images that are memorable and moving. Vincent's work has been recognized with awards from the Massachusetts Cultural Council, the John Stobart Foundation in Boston, and plein air competitions internationally. He has exhibited his work in galleries in Ireland and throughout the US for three decades, and has presented workshops in Ireland, Nova Scotia, Colorado, Wyoming, New York, and throughout New England. *Eamonn Murphy's Garage* right.

Dec. 6th - Holiday Party at Alumni's Restaurant including dinner and a yankee swap! 6:30pm RSVP required.

Jan. 3rd - Art Swap

FAA Vice President *STILL* Needed!

Unfortunately Joanne Willoughby will be unable to continue in her capacity as vice president for the FAA as she will be moving to Southern New Hampshire soon. The FAA is in need of a volunteer to step up into her shoes!

Job Description:

VP is in charge of setting up Artist demos from September through May and organizing the Holiday party and Summer cookout.

The VP also assists the President by attending board meetings once a month and also attends the artist demos and introduces the artists at the demos.

The VP must also communicate with the FAA secretary so she can get information to members via the newsletter and for publicity and the website.

Demo have already been arranged for the majority of the 2017-18.

Please consider stepping up! The board will be there to help anyone (or more than 1 person) willing to take on this role, but without volunteers we can't make our programming possible!!

Harvest Festival

The Franklin Downtown Partnership Harvest Stroll was a great success! The weather held out and the streets were jam packed with shoppers, music, dancing and laughter!

Thank you to the FAA volunteers Pam Warren, Peg Munson, Gail Eckberg, Diane Padula-O'Neill and especially Diane Choquette for donating another beautiful gift basket that

we raffled off for one dollar per ticket. We also raffled a one year free membership to the FAA and are happy to report that while we were raising a little bit of money for our FAA Scholarship Fund, we were also raising a lot of awareness for the FAA and hope to see a few new faces at our upcoming meetings!!

Opportunities

The Hopkinton Center for the Arts Fall Session 2 includes classes and workshops for kids and adults, day long and multiweek session on topics from watercolor to beginner photography. Visit hopartscenter.org for details.

At the Harvest Festival, we were approached by the owner of a new business in town. Her name is Doctor Olga Krikunenko. She has just opened a Dental office called "Mint Dental" in the new building at 150 Emmons Street (where the old Town Hall was). Her practice just opened last Monday and she has a whole bunch of blank walls. She would like to have a "rotating display" of works from local artists to brighten up the space.

She has room for several fairly large works in the sitting room and operating suites and some smaller works in the hallway. There will be room for more as her practice expands and they finish out the rest of the rooms.

The art would be displayed with contact information and prices if the pieces are for sale. She asks for interested artists to submit photos of the works via e-mail along with the size of the pieces. Several artists can display at the same time or one artist can fill all the spaces. Olga says that she favors Modern, Abstract or upbeat images, but is willing to consider any submissions. Pieces would be in place for approximately two months at a time and then a call can be put out for new submissions.

If interested, email images and contact information to info@LoveMintDental.com

She is also accepting new patients if anyone is in need of a Dentist

ArtWeek!

Franklin Cultural Council is bringing ArtWeek to Franklin...and we want YOU!

ArtWeek is a statewide arts festival April 27-May 6, 2018, and is styled similar to restaurant weeks but with unique arts and cultural programs offered with a “twist”. ArtWeek events are creative experiences that are hands-on, interactive or offer behind-the-scenes access to artists or the creative process. Anyone can host an ArtWeek event...organizations, businesses, schools and individual artists. Successful events are often partnerships; for example, a musical group might do a special show at a restaurant which then offers a unique menu for the evening inspired by the music. An artist might partner with the library and an author to demo and offer Q&A about what it means to write and illustrate a children’s book. The possibilities are endless. Events can be free or fee-based (up to a max of \$50/pp), and all proceeds are kept by the host, not ArtWeek. Free events are eligible to apply for special Franklin Cultural Council ArtWeek grants...more info coming soon! To participate in ArtWeek, simply apply directly to the ArtWeek organization. They will help market your event, create a free webpage for your program, and include you in the online searchable database. There is no fee to you to host! For more info, visit the ArtWeek website at: <http://www.artweekma.org>, or contact Stacey David, FCC Chair at franklinculturalcouncil02038@gmail.com.
